Please note an application is the first step in our process. Once submitting an application if you and your family are the proper fit for the dog we will contact you for a meet and greet. Submitting this application does not mean you are approved for adoption.

By submitting this application I agree and I am aware of the following:

I have read the questions in this application carefully and have filled out this application honestly. Misinformation and/or failure to answer all applicable questions can result in this application being declined. If an omission or untruth is discovered after an adoption takes place, I understand that Brendan's Meadows Rescue reserves the right to annul the adoption and reclaim the animal.

I, and no one in my current household, have ever been convicted of any form of animal abuse, neglect, or abandonment. By signing this agreement, I consent to Brendan's Meadows Rescue approval process, which includes, but is not limited to contacting my veterinarian, contacting references, contacting animal control and/or other animal facilities, a home inspection, inspecting where the dog will be kept, and meeting **all** members of my household. I acknowledge there is an adoption fee to be discussed. This fee will help offset shelter, transport, veterinary and care costs.

I understand the adoption decision is dependent on many factors, including but not limited to the compatibility of the family and home with the individual animal. ADOPTION FEES ARE NOT REFUNDABLE. Signature and Agreement to Process: I understand that Brendan's Meadows Rescue adoption process is that we screen all applications to find what we believe will be the best environment for each particular dog. If we believe that the dog you are interested in is a potential match for you and your family, you will be contacted for a scheduled Meet and Greet.
